Speech-Language Pathology Services

Cancellation and “No-Show” Policies

**Dear Families and Clients of Beehive Therapy,
Due to high demand for our services and our growing waitlist, please
note the following policies are now in place:**

Cancellation Policy:

**Please provide your clinician or our office with 24-hours’ notice if you
have to miss a session. If 24-hours’ notice is not given, you may be
charged for the missed session.**

“No-Show” Policy

**If a client “no-shows,” or misses 3 sessions in a row without
contacting us, the client will be discharged from our services so that
we may offer that therapy slot to a client on our waitlist.
Thank you for your assistance with these policies, please let us know
if you have any questions.**
